

To announce educational events in the CME Calendar, please provide dates, location, sponsorship, number of CME credits, and contact information. Mail announcements for the Spring 2002 issue by **February 1** to Stuart C. Yudofsky, M.D., CME Calendar, The Journal of Neuropsychiatry and Clinical Neurosciences, American Psychiatric Publishing, Inc., 1400 K Street, N.W., Suite 1101, Washington, DC 20005.

Ongoing in February, July, and October, **Mini-Fellowship in Transcranial Magnetic Stimulation**, Beth Israel Deaconess Medical Center, Boston, Massachusetts. Sponsored by Harvard Medical School Department of Continuing Education. Offers up to 35 hours of Category 1 CME credit toward the AMA Physician's Recognition Award. Provides one week of training. A second week of training and observation is available. For information: tel.: 1-617-432-1525; fax: 1-617-432-1562; e-mail: hms-cme@hms.harvard.edu; Web: www.med.harvard.edu/conted.

March 9 and 10–12, 2002, **American Neuropsychiatric Association 13th Annual Meeting**, Hilton Torrey Pines, La Jolla, California. Category 1 CME credit tba. Pre-meeting workshops begin March 9. See preliminary program in this issue, pp. 539–543. For further information: Sandy Bornstein, ANPA, tel.: 1-614-447-2077; e-mail: anpa@postbox.acs.ohio-state.edu.

March 15–17, 2002, **Mayo Clinic Headache Symposium**, Mayo Clinic Scottsdale, Arizona. Sponsored by Mayo Clinic Scottsdale. Offers 13.0 Category 1 CME credits. Offers an evidence-based, practical approach to acute and preventive treatment of migraine, chronic daily headache, cluster headache, and analgesic rebound headache. The cardiovascular safety profile of the triptans and the relationship between female hormones and migraine throughout the reproductive life cycle will be discussed. For information: Sarah Dorste; tel.: 1-480-301-4580; fax: 1-480-301-8323.

The Leonardo da Vinci Project of the European Accreditation Committee seeks to ensure a pan-European dimension to education in psychiatry, neurology, and neuropsychopharmacology. Its goal is to help countries in the European Union develop compatible CME systems with uniformly high standards. For information: Prof. Julien Mendlewicz; e-mail: jmen-dlew@ulb.ac.be; Web: www.leonardo-eac.org.

The American Neuropsychiatric Association (ANPA) is actively seeking new members. Those interested in joining are encouraged to complete the application accompanying this issue of the Journal or contact ANPA, Suite 550, 700 Ackerman Road, Columbus, OH 43202 USA; tel.: 1-614-447-2077; e-mail: anpa@postbox.acs.ohio-state.edu
